Subject: Update of Notice of Intention to Commence Small Mining Operations, Bill Stoddard, CO-OP Placer Project, S/015/0052, Emery County, Utah

Dear: Mr. Kingston:

The Division of Oil, Gas and Mining conducted a routine inspection of the CO-OP Placer Project on July 25, 2013. A copy of the report for the inspection is enclosed. As part of the inspection, the Division reviewed the Notice of Intention to Commence Small Mining Operations (NOI) for the project.

The existing NOI is an application to the BLM to conduct mining operations. The existing document is out of date and needs to be revised. Please fill out the current NOI form which can be downloaded at [https://fs.ogm.utah.gov/pub/mines/minerals\\_related/forms/MR-SMO.pdf](https://fs.ogm.utah.gov/pub/mines/minerals_related/forms/MR-SMO.pdf). Upon request the Division will mail a copy of the blank form.

**Please submit the revised NOI to the Division by September 16, 2013.** You may contact Wayne Western at 801-538-5263 if you have questions concerning the information required in the NOI or if you have other questions or concerns regarding this letter. Thank you for your cooperation.

Sincerely,

Paul B. Baker  
Minerals Program Manager
